

Filelist

```
graph BT; StrucioWriter[StrucioWriter] -.->|filelist| Filelist[Filelist];
```

The diagram illustrates a relationship between two components. At the top, a white rectangular box with a black border contains the text 'Filelist'. Below this box, a solid purple arrow points upwards towards the bottom edge of the box. To the right of the arrow's shaft, the text 'filelist' is written in black. The arrow's shaft is composed of a solid purple line that transitions into a dashed purple line as it approaches the bottom of the image. At the very bottom, a solid black rectangular box contains the text 'StrucioWriter' in white.
